Cheerleaders may make arrangements to have their team pictures taken.

\*\*\*\*Teams with the asterik may have their photos taken after the game.

Please check the time for your team's photos from the schedule below and write it on each player's envelope in the space provided.

1. Give the envelopes to parents or players about a week before pictures. Remind the team at your last practice about pictures.
2. Encourage players to be on time. We can not begin to start photos for your team until you have everyone you expect. One person can hold up the process.

Thanks for your help coach. The head coach will receive an 8x10 team photo. It will be mailed with your child's photos if you have a player on the team.
