

Playmaker's Player
Development Fall League
(for boys going into grades 4-9 in the fall)

How about a little basketball to get ready for CYO this year?
How about some skill development? How about some 3 on 3 games?
How about more opportunity to touch the ball in game like situations?
If you answered yes to these questions, then the Playmakers Player's
Development League (PDL) is for you!

The league will meet twice a week (at CES) beginning in early September and conclude the first week of October – 10 sessions (exact times and days TBA)

The first night will be devoted to skill instruction in game like situations.

The second night will primarily be 3 vs. 3 games

Each player will receive a Player's Development Workbook and a tee-shirt

The sessions will be directed by Scott Hanrahan, Seth Hendrick and Bryan Dailey

The cost of the PDL is \$75.00
